This collection request includes surveys we currently use and plan to use during

the next three years to measure agency performance, climate, engagement, and leadership effectiveness. OMB No. 3206-0252 covers a broad range of surveys all focused on improving organizational performance. Non-Federal respondents will almost never receive more than one of these surveys. All of these surveys consist of Likert-type, mark-one, and mark-all-that-apply items, and may include a small number of open-ended comment items. The surveys included under OMB No. 3206-0252 are almost always administered electronically.
